

jennyagutter.net: Links Policy Version 3.1 (26/6/2018)

How links are chosen for jennyagutter.net

Any reference to jennyagutter.net shall also be taken to include jennyagutter.co.uk, jennyagutter.me.uk, jennyagutter.org.uk, jennyagutter.org and jennyagutter.eu.

The jennyagutter.net homepage team includes links to external (non-jennyagutter.net) websites. We select links that are editorially relevant to the content they are linking from and are suitable for the likely audience.

These links are included for a number of reasons, including:

- for further relevant information or other key source material;
- for background information;
- for useful practical information;
- for entertainment or enjoyment;
- for further informed comment.

We do not and will not link to external sites in return for cash, services or any other consideration in kind **unless expressly stated here**.

We do not normally link to sites which are not free to access. However, users may be asked to register before viewing the content.

The jennyagutter.net homepage team does not accept submissions or requests. The homepage team selects links and evaluates websites on the basis of editorial relevance.

Links to external websites

External links are selected and reviewed when the homepage is published. However, the jennyagutter.net homepage team is not responsible for the content of external websites. This is because:

- the jennyagutter.net homepage team does not produce them or maintain/update them;
- the jennyagutter.net homepage team cannot change them;
- they can be changed without the jennyagutter.net homepage team's knowledge or agreement.

Some of our external links may be to websites which also offer commercial services, such as online purchases.

The inclusion of a link to an external website from jennyagutter.net should not be understood to be an endorsement of that website or the site's owners (or their products/services).

Links to user-generated material

Some content linked to on external sites may be generated by members of the public (social media sites).

The views expressed are those of the public and unless specifically stated are not those of the jennyagutter.net homepage team. If you consider this content to be in breach of the house rules as indicated on the website, please alert the moderators or site owners on the sites where the material appears.
